Spirited Juniors

The tapping of the four princesses set off the 1973 Homecoming activities. The theme this year, "Mooks Score While Seagulls Snore!", was originated by Keith Massie who also won the three dollars that accompanies this award. Spirit week followed with five days of funny clothes, a sock hop in the hall, float building, and generally lots of spirit! Thursday the bonfire was held, and on Friday the annual coronation took place in the auditorium. The Serpentine, and the downtown pep rally, followed. Each class proudly displayed its float, and all were excellent! The Juniors took first place, the Seniors a close second, the Freshmen placed third, and the Sophomores took what was left. Tradition was broken this year as the Homecoming dance was held on Saturday night, instead of the usual after-game dance on Friday.

Ah, come-on Keith!

The first play of the 73-74 school year was "The Importance of Being Ernest," which is an early 20th century English comedy. Because of such a large turn out Mr. Whitney, for the first time, doublecasted the play. Both casts put the play on twice with the senior cast performing Friday night and Saturday afternoon, and the junior cast performing Thursday night and the following Wednesday night.

1974 March of Dimes drive was a record breaking event with students amassing a total of \$935.04. All classes broke records of all previous years. The students were very spirited and worked very hard and the totals they produced proved this.

The Junior class brought in an amount of \$3669.50 which was the winning total. The Sophomores came in second with a total of \$2171.34. In third place not far behind were the seniors with a total of \$2090.04. In last place with the highest losing total of \$1372.16 were the freshmen. All in all it was a great March of Dimes drive.

Nurse Hackell tells Hawkeye to "Bite Off!"

This year's winter play was a real smash. The cast combined the laughter from the T.V. show M*A*S*H with the wittiness of the movie M*A*S*H to produce a super hilarious performance. Because of the widespread interest Mr. Whitney chose a play with a large cast. M*A*S*H was then chosen and there were no problems getting enough actors to fill positions. M*A*S*H is about a medical unit of doctors and nurses who are stationed somewhere in South Korea. The play dealt with many different incidences which happened around the camp between the personnel.

Frank! We've got to quit meeting like this.

Spring Musical

Saturday night's Nanette "Sings it" as Tom and others look on.

"No No Nanette!" is a typical 1920 musical, with heavy dancing and lyrics. It was modified in 1971 for Broadway staging. The musical basically concerns Mr. Jimmy Smith, a Bible publisher, and the people surrounding him. He is involved with three young ladies and tells his lawyer, and his assistant, Tom, to arrange to meet with the ladies at Atlantic City. Mrs. Smith and Billy's wife, at the same time, decide to go to Atlantic City for a vacation. Unknowingly, Jimmy decides to take his niece, Nanette (also Tom's sweetheart) to Atlantic City. Everyone meets there with confusion and friction resulting.

The 1974 Junior-Senior Prom was a great success. Labeled as the best prom yet, the juniors worked hard with their advisors to build a park gazebo, a water fountain and a forest setting, for the theme, "Poems, Prayers, and Promises." The band was the Sandpoint Edition and the dance was enjoyed by all!

Girl's League picked a girl and man of the year, and JV-ettes chose a cheerleader of the year; summing up the year's awards.

"The Tiniest Town in Mexico," this year's childrens play was performed in the cafeteria on a small stage instead of in the auditorium. This was done so the audience, kids, would be right up by the actors. The play was directed by Mr. Don Whitney and Miss Kathy Bates. Both the children and cast had a great time with the play, as the play was performed with great perfection. Since the play was such a great success, Mr. Whitney hopes to do one again next year.

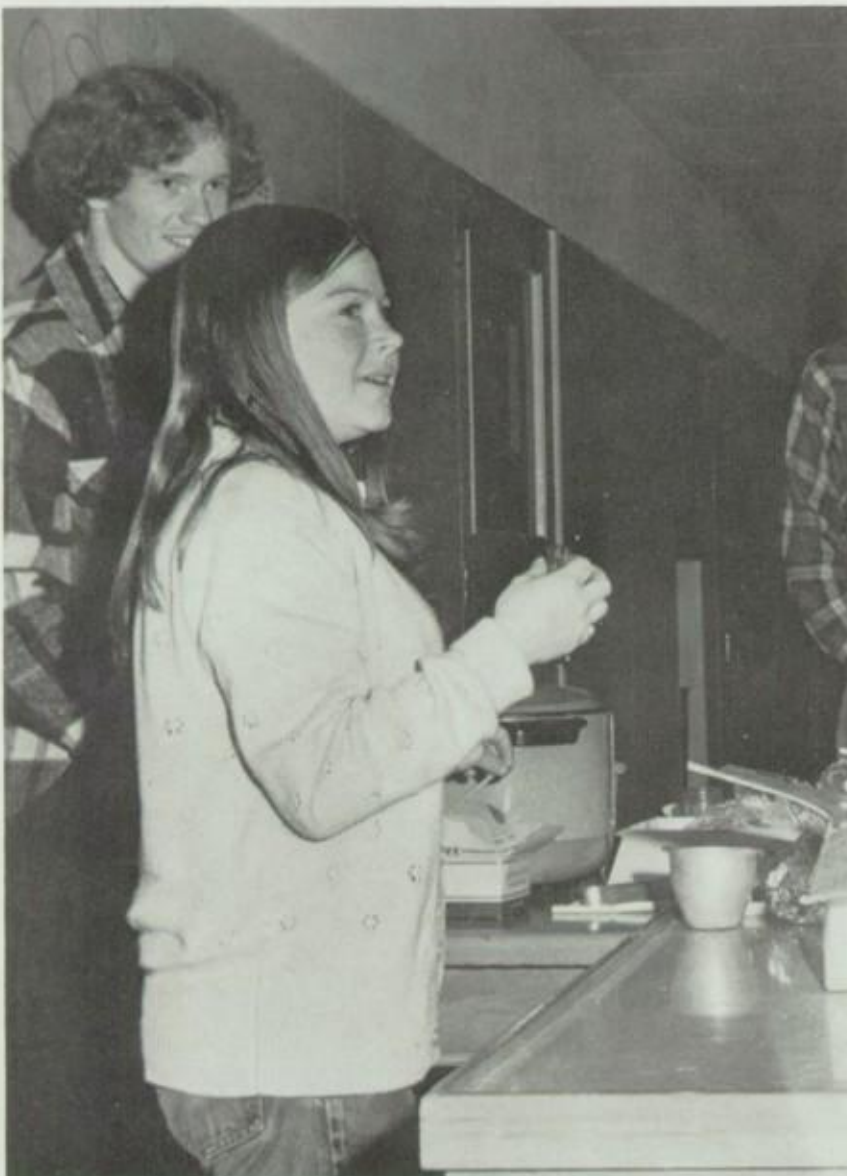

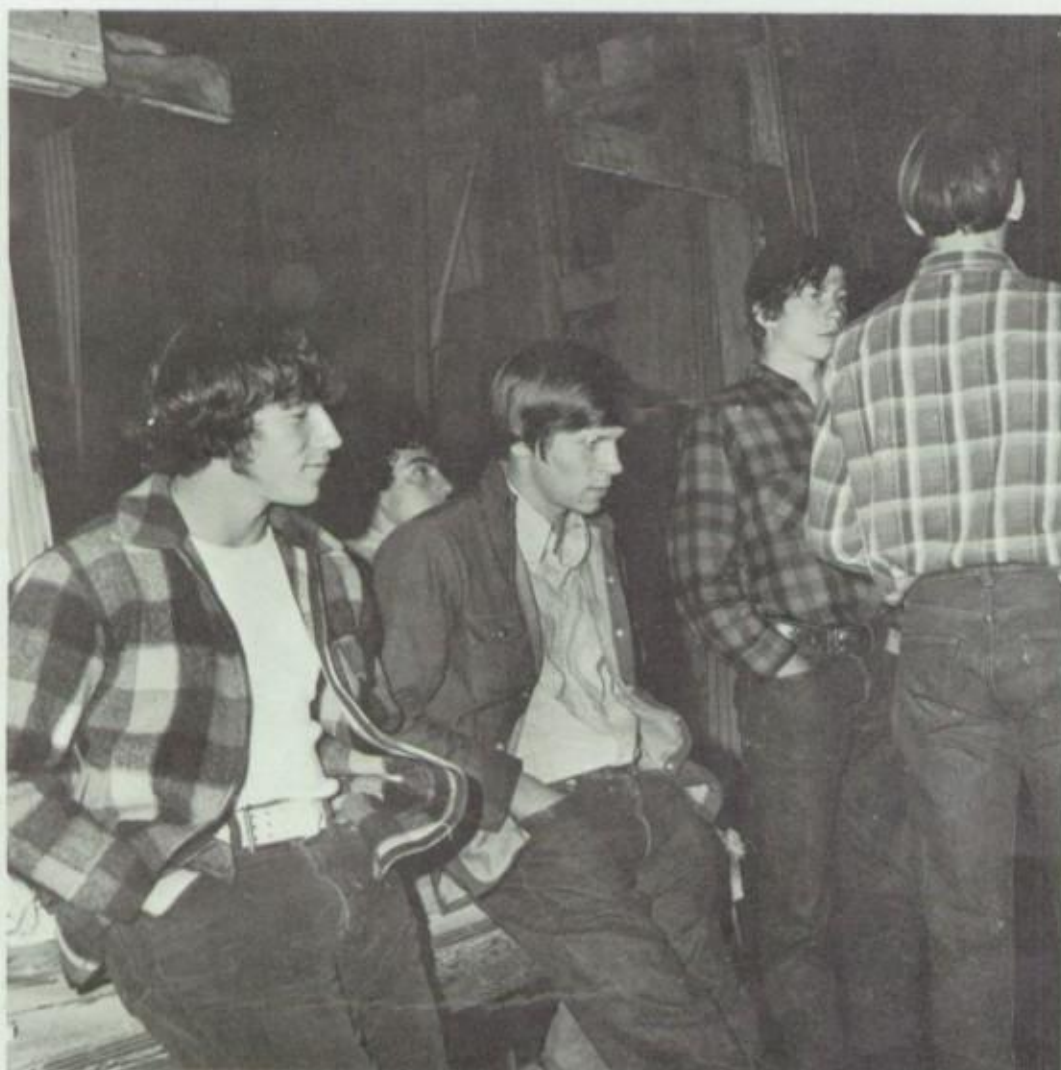

At this point of the play Dal Carver, the funny one in the short pants and hat, yells, "Caramba!" as he cheers on Kristi and Debbie, while they do their Mexican Hat Dance.

The citizens of the Tiniest Town of Mexico have been looking all over the city for the missing pinata and "Hot Tommelito" they find it inside the cactus, but who put it there?

SENIOR HISTORY: As seniors, we began our fourth and last year at T.H.S. In our senior year we were advised by Bruce Johnson, Jon Mattila, and Sybil Specht advised graduation. Class officers were John Winfield, President; Ron Colton, Vice President; Barb Bosch, Secretary; and Steve Warren, Treasurer. Our Homecoming float placed a very close second. Princesses in the Homecoming court were Toni Miller, Elaine Norberg, Bonnie MacGillivray, and Patty Blondo. Elaine represented us and also reigned as Queen. "Just You and Me" was the theme for the Winter Formal which our class put on. The princes were John Winfield, Keith Massie, Gary Lusby, Ted Hartford and Calvin Christensen. Ted was crowned King. Making it four in a row, we again placed third in March of Dimes, raising \$2,092.04. Jeri Foster was our princess. Jan Nelson, Barb Bosch and Patti Williams were Prom princesses. Jan was crowned Queen. Our princess for Miss Tilla-Hi was Steph Bell. A memorable four years came to an end Thursday night, May 30, as 147 of us sadly graduated in T.H.S. gym where there was standing room only.

Tillamook's harriers topped a successful season by a fourth place finish at the state meet held at Lane Community College. This team placing was highlighted by individual placings, with Lorin Jensen taking a second and Jeff Ponsness finishing fifth. The team as a whole ran well, as the first four Mook harriers crossed the finish line with just slightly more than one minute between the first and the fourth runners.

The Mooks placed first most often in their meets, showing they were one of the top teams in the state. The Junior Varsity also had a successful season, winning high placings in all their meets. There are high hopes for another good season next year, as there will be at least five varsity runners returning.

Injuries Hurt Season

This year's 2-6-1 record was not an indication of this year's team. The Mooks were a much better team than their record indicated. They were tough in all games except two. Five of the teams the Mooks lost to were rated in the top ten at one time or another, four were in the top ten at the end of the season.

The Mooks traveled to Canada to Vancouver, B.C. They played Carson Graham and tied in a heartbreaker with a score of 28-28.

"This year was mainly a building year, still the guys performed up to their ability. Next year's key will be experience," noted Mattila.

Girls Find Volleyball Season Fun

Both the J.V. and Varsity volleyball teams had a building year in 1973. They worked really hard and showed excellent results. Their seasons were not impressive; J.V.'s won 1, lost 8, Varsity won 2, lost 8, but this was only because of lack of experience. At the end of the season, their spirit was high and they were showing great teamwork.

Miss Scheldrup's comment of the season was this, "The J.V. team improved greatly during the season. I think the highlight of the season was our victory over the Scappoose J.V. team. I'm proud of the spirit that they showed throughout the season. Many of the girls look forward to playing Varsity next year."

Coach Joan Bauer had this to say, "I feel that during the 1973 volleyball season, the team accomplished more than any other team I have ever coached. Even though the girls comprised a young team, they showed great potential of being the strongest team in the league. Those girls that participated impressed me with their eagerness to work to full capacity even after losing a match."

The varsity wrestling team had a good year considering that they only had four seniors on the squad. This year's squad was comprised mostly of juniors and seniors.

Coach Chace remarked about next year's expectations by saying, "The underclassmen kept up with the rest of the guys and were ready when they were needed, they never let us down. With a strongly progressing junior squad, and if they all stick together, by next year we should have a very strong team."

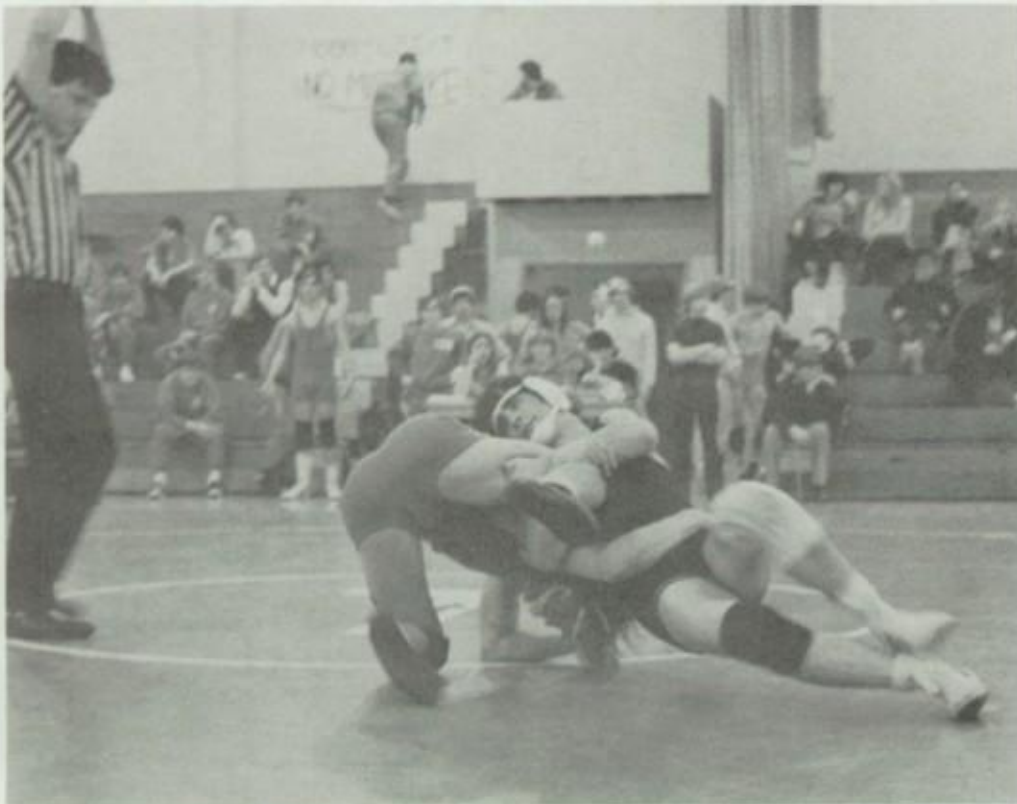

The team sent four wrestlers to the state tournament, and they were all juniors. They were Kim Roehl, Dan Hubler, Curt Schonbrod, and Andre Melson. Kim Roehl placed highest for the Mooks, he placed third.

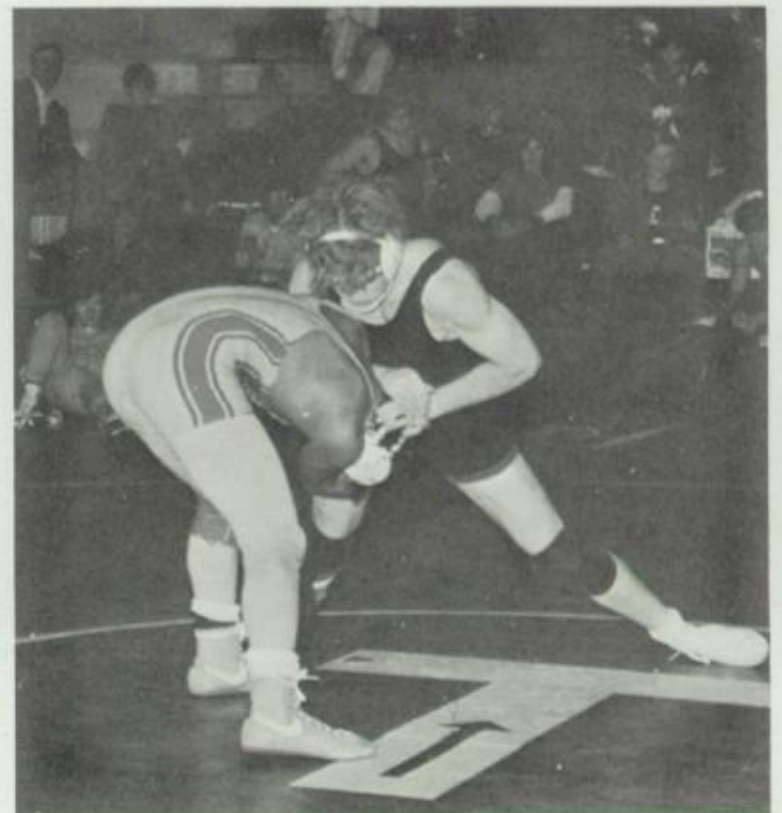

M.G. Kimmel performs brilliantly in one of his epic matches. He came up from junior varsity to assist the team in many victories.

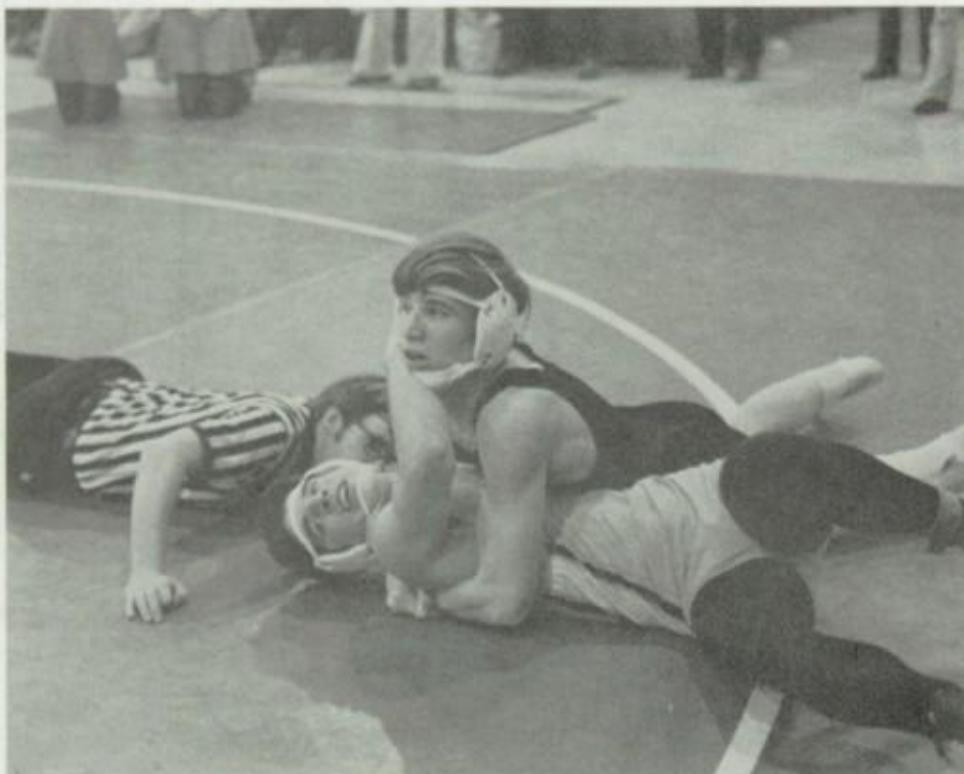

Junior standout Curt Schonbrod works on pinning his opponent. Curt contributed greatly to this year's team.

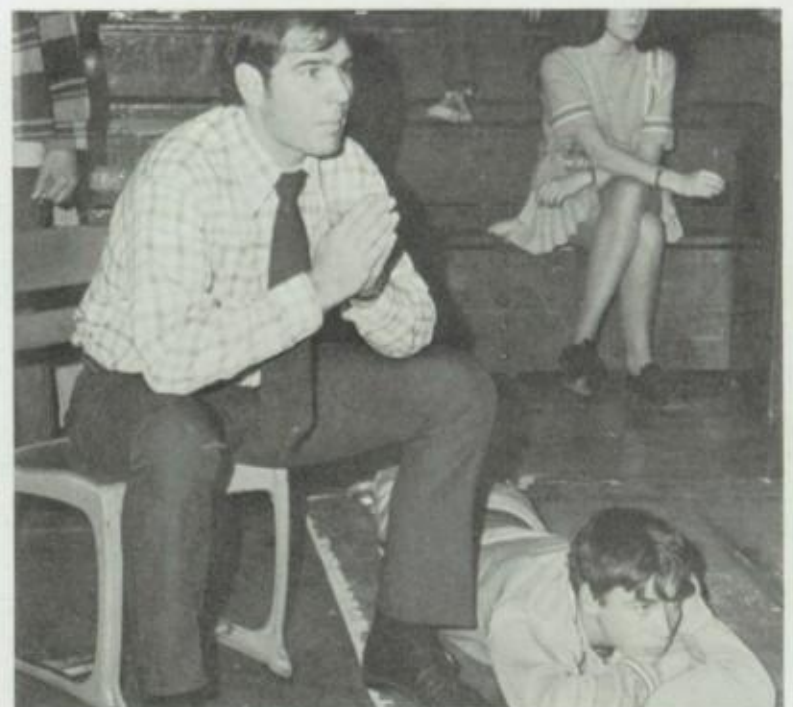

Senior Dave Woodward applies the 'sitting switch' move against a Central High opponent. This reversal move gained Dave 2 points. Woodward performed brilliantly for the Mook squad this year.

Junior Varsity Performs Well All Season Long, Many JV's Will Help Out Next Year

Glenn Lellow is busy watching his J.V. squad in one of their matches. This was his first year of coaching the Junior Varsity and he did a fine job at it. There are many wrestlers who should help the varsity next year.

J.V.'s Go 20-1-1

This year's Junior Varsity squad had a great year. The season record came out to a very good 20-1-1 won-lost record.

The Junior Varsity was comprised of mostly sophomores and some freshmen and juniors. They all got the opportunity to get some wrestling experience before they move on to Varsity next year.

Frosh Wrestling Squad Has Great Season

Bobby Prichard (above), the freshman coach, relaxes while he watches his troops practice for an upcoming wrestling match. The freshmen were very competitive this year and were in many tournaments. Many freshman wrestlers wrestled on both the Junior Varsity and the Varsity squad. This along with the strong J.V. team should insure a strong Mook wrestling team for the future and next year.

The Mook Varsity was led this year by Coach Royce Kiser, in his first year at Tillamook. The players worked extremely hard, and played tough defense, especially the second half of the season. The team's losses were usually very close and against highly ranked teams. Keith Massie led the Cheesemakers in total scoring with 332 points and had a 56% season field goal percentage. Ron Rush was the team's leading rebounder with 201. Tillamook's season record was 14 wins and 7 losses, 5 and 5 in Cowapa league. With returning junior lettermen and improving JV players the prospects for next year's season are bright.

And then, after placing first at District, the girls team went on to get second at State. Sue Berger, Dawn Havery, and Colleen Cheek made All League. Sue was also State All Star. Susan was a medalist at the Portland Metro Tournament, Reynolds Invitational, and District. She was also a Co-medalist at the State match.

Warren Outstanding Golfer

Both Boys Golf teams had a good year for self improvement and victories. The J.V. team learned a lot and was a great credit to the school this year. They showed a lot of potential for years to come. Their season score was 9-3, and many of the boys are expected to move up to Varsity next year. The boys Varsity team had an outstanding season's record this year: 13-3-1. They also went to the Taft Invitational where they placed third. At district they made a fine showing and they placed second, which enabled them to go to State. The guys placed fourth at State and Steve Warren was then named a State All Star. He and Mike Lehman were also named to All League. Steve Warren was named Most Outstanding Golf Member.

Young Track Team

Five girls went to State this year from Tillamook: Jean Melson for the Shot Put (37'6½") a fifth place, Discus (102'2") a seventh place, and the Javelin; Glenys Gruber ran the mile with a good time of 6:16; Cindy Petersen ran the 880 with the fine time of 2:40. The medley also went to State and got their season's best there, with the outstanding time of 2:04.1. Members of the Medley team were Jean Melson, Cindy Petersen, Cindy Hurd, and Robyn Bush.

The Season

The varsity team this year was a very young team with mostly sophomores and juniors. Although twenty-six games were played, the season was slow because of rain. Despite the fact that the team had only one outside practice the entire season, Mr. Bauer and the players did not let it "dampen" their spirits. Ernie Taylor was the only player on the team to have the honor of All-League bestowed upon him. Jeff Short was the team's leading hitter and was also in the team's top five for stolen bases. With only six seniors leaving the team, the balance of the team will be returning.

This year's Junior Varsity, sporting a record of 4 wins and 8 losses, provided experience for the younger and less experienced players. The Future Business Leaders of America (FBLA) was composed completely of girls this year. Although they were a small group they were active in many events. Jeanine Erskine won a typewriter for typing the most words per minute in a state-wide contest. Each of the members attended the Fall Leadership conference in Prineville. This year's advisor, Mary Jensen, along with the officers, Pam Soeby, President; Sharol Slyh, Vice-President; and Kirsten Helkey, Secretary-Treasurer; did a fine job in leading the club to a successful year.

The Future Homemakers of America Club functioned well at Tillamook High School this year under the presidency of Becky Callister. One of their first trips was to Corvallis for the annual FHA Convention. This was followed by several social functions here in the high school. The entire club turned out to help the Future Farmers at their banquet and served as very pretty waitresses for the boys. The evening was long as well over 200 attended this affair. Miss Nedrow served as adviser and was honored at the end of the year as she was leaving Tillamook High School.

The group took 2nd in beginning shop skills, and 3rd in advanced shop skills, in the NW district. Fifth place was obtained in the state dairy judging contest. A 3rd in basketball and 1st and 2nd in table tennis rounds out the year's awards. Bill received the Chapter Star Farmer award at the annual banquet in May. Bill commented that "Attendance has really increased this year and all together we've had a great year!"

Stage Band Hosts Clinic

Kathy doing what she does best.

This year's sax section consisted of some of Tillamook's finest sax players.

The Stage Band plays at one of many basketball games, before and at halftime.

Dal Carver, Stage Band Member on right, is not pictured in group picture, for some unknown reason.

Mr. Parker, director, was proud of his '73-'74 Stage Band, which over the year improved to reveal a group of very exceptional musicians. The band traveled widely in competition, attending festivals in Clark College, Stevenson, Washington and Reno, Nevada. They also took part in concerts, played for basketball games, and sponsored their own jazz clinic in-
viting league schools.

Dal Carver is greatly honored and excited by being named winner of the Cliff Rice Award, a trophy given annually to most disorganized and uncoordinated band member. Good going, Dal!

The Symphonic Band showed an outstanding group of musicians playing a variety of classical and modern pieces. The band also provided halftime shows for the football games and also provided band members to form the pep band. Symphonic Band members went on several trips performing during the year. The members felt that their director, Bob Parker, and stated that they were "sorry to see him leave the high school." Mr. Parker will be band director in the elementary schools next year.

'74 Staff 'Best'

Delores Gibson, Editor-in-Chief

Bowing to beloved leader — Mr. Anderson

The Kilchis Staff was kept busy this year, using pictures and words, to publish the school yearbook. In the fall the staff attended the Scholastic Press Conference at the U of O. In April they took a full-day field trip to Portland, visiting the Japanese Gardens, Lloyd Center, and ice-skating rink, and Mt. Hood Community College, touring their publications department. All in all, this year's annual is the best.

Hewitt holds hurried, haggled, hectic press conference!

This year's Tides Press staff worked hard on planning layouts, selling ads, and seeking out the news of Tillamook High School. The staff attended the Oregon Scholastic Press Conference in October, at the University of Oregon. Through the efforts of Jeff Hathaway, editor; Mr. Hewitt, advisor; and all of the staff, things were kept running smoothly in the journalism business.

Ken,
I am really glad that I got to know you this year. You are really a fantastic competitor. The effort you put out is worth the victory. When you put your mind to it you succeed. Just keep trying and everything will work out. I would tell you that you're sweet, charming, etc., But you already know that. Keep working at your tennis game, because they will have a team sometime and you will want to be first.
